FEDERAL FISH AND WILDLIFE PERMIT APPLICATION FORM
Bald Eagle or Golden Eagle Transport into the United States
for Scientific or Exhibition Purposes
(Bald and Golden Eagle Protection Act, 50 CFR 22.21)
U.S. Fish and Wildlife Service
Division of Migratory Bird Management

A Federal Eagle Transport Permit is required to transport Bald Eagle (*Haliaeetus leucocephalus*) or Golden Eagle (*Aquila chrysaetos*) parts into the United States for scientific or exhibition purposes. The items may remain in the United States on a temporary basis only; the BGEPA prohibits permanent importation. The item(s) may not change ownership and the same items, unchanged, must be returned to the sender at the conclusion of the project or exhibit. If you will be transporting species listed under the Migratory Bird Treaty Act (e.g., songbird, hawk), in addition to Bald Eagle or Golden Eagle parts to the United States, you may include them in this application. Live eagles or viable eagle eggs cannot be transported into or out of the United States.

Only zoological parks, scientific societies and museums that meet the definition of "public" under 50 CFR 10.12 are eligible for this permit. (50 CFR 22.21) Therefore, you must complete section B on page 1 of this application.

Note: All raptors, including Bald Eagles and Golden Eagles, are protected under the Convention on International Trade in Endangered Species (CITES). In addition to a Bald and Golden Eagle Transport permit to transport the eagle parts into the United States, you will require a CITES Export permit from the exporting country and a CITES/ Eagle Transport for Scientific or Exhibition Purposes permit from the U.S. Division of Management Authority (DMA) in order to transport/export the items back to the foreign institution. The CITES/Eagle Transport for Scientific or Exhibition Purposes application can be obtained at: <http://www.fws.gov/forms/3-200-69.pdf>

You will need to include the following information with the 3-200-69 application you submit to DMA prior to transport/export from the U.S.: (a) a copy of the canceled foreign CITES export or re-export document that accompanied the shipment into the United States, (b) a copy of the cleared (stamped) U.S. Bald Eagle and Golden Eagle Transport permit, and (c) a copy of the cleared (stamped) U.S. Declaration for Importation (FWS form 3-177). (If any species you propose to transport/ import/ export is listed in Appendix I of CITES, or listed under the U.S. Endangered Species Act or the Wild Bird Conservation Act, you may require additional import or export permits under those laws Contact DMA..) All wildlife shipments must enter and exit the United States through a wildlife port designated in 50 CFR 14.12 (http://www.fws.gov/le/ImpExp/Contact_Info_Ports.htm), unless a port exception is authorized on your permit or you have a separate exception to designated port permit issued under 50 CFR 14. (For more information about importing and exporting migratory birds, visit: <https://www.fws.gov/birds/policies-and-regulations/permits/import-and-export.php>)

You must be at least 18 years old to apply for a migratory bird permit. Please read the pertinent regulations before you sign and submit your application.

Please provide the information requested below. If additional information needs to be provided that does not fit in the designated spaces, add additional sheets to your application submission. You may use as many additional sheets as needed. Please number pages accordingly using the page number box provided at the bottom of the sheet, and the corresponding question number.

You should be as thorough and specific as possible in your responses. Incomplete applications will be returned.

As the permittee, you are legally responsible for ensuring that your subpermittees, staff, and volunteers adhere to the terms of your permit.

SECTION E.

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities that affect protected species. The information the individual provides helps the FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

In accordance with the Paperwork Reduction Act (44 U.S.C. 3501), the U.S. Fish and Wildlife Service collects information necessary to monitor take and disposition of migratory birds, under the applicable laws governing the requested activity, for which a permit is requested, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0167.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages 1 hour (paper-based submission) and 45 minutes (electronic submission). These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB (JAO/3W), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.

FREEDOM OF INFORMATION ACT

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.26 – 2.33].
